Independent Auditor's Review Report on Unaudited Quarterly Standalone Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

To,
The Board of Directors of Nalwa Sons Investments Limited

1. We have reviewed the accompanying statement of unaudited standalone financial results ('the Statement') of Nalwa Sons Investments Limited ('the Company') for the quarter ended June 30, 2020 being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including relevant circulars issued by the SEBI from time to time.
2. The Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting ('Ind AS 34'), prescribed under Section 133 of the Companies Act, 2013 ('the Act'), and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under Section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Emphasis of Matter

4. We draw our attention to Note No.4 of the Statement on determining fair value of quoted/unquoted shares as on March 31, 2020 on volume weighted average price of 26 weeks considering COVID 19 pandemic and significant volatility in Indian financial markets. Our opinion is not modified in this respect of matter.
5. Based on our review conducted as above nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standards, prescribed under Section 133 of the Act, and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including the manner in which it is to be disclosed, or that it contains any material misstatement.

Notes :-

- The above financial results have been reviewed by the Audit Committee and approved by the Board of Directors at their meeting held on 14th September 2020. The statutory auditors of the Company have carried out limited review of the aforesaid results for the quarter ended June 30, 2020.
- The figures of the quarter ended March 31, 2020 are the balancing figures between audited figures in respect of the full financial year and the published year-to-date figures up to end of that quarter of the financial year which are subject to limited review by the Auditors.
- The outbreak of COVID-19 pandemic across the globe and in India and consequential nationwide lock down since March 24, 2020, has caused a significant decline and volatility in the global as well as Indian financial markets and slowdown in the economic activities.

The management of the Holding Company has assessed the potential impact of COVID-19 and based on its review there is no significant impact on its financial results except for in the fair valuation of quoted/unquoted equity instruments which has got impacted due to substantial fall in the market price of quoted shares in view of volatility in the stock markets. Since the market price of quoted shares as on 30th June 2020 and 31st March, 2020 do not reflect the true fair value, the Holding Company and one subsidiary i.e. India Holdings Limited, in accordance with the valuation principles laid down as per Ind AS - 113, has made appropriate adjustment to arrive at the proper fair value of these shares by considering the volume weighted average price for 26 weeks immediately preceding the fair valuation date viz. 30th June 2020 and 31st March, 2020.

- Previous period's year's figures have been regrouped/ rearranged wherever necessary to make them comparable with the current period's year.
